# MEET OUR INSTRUCTOR

## KAMRAN YOUSAF

### 3D ARTIST

“ With over a decade of experience in visual effects and various animation disciplines, Kamran Yousaf excels in bringing designs to life. His expertise spans 3D and 2D animations, stop motion films, film-level color grading, and special effects. Whether it's creating captivating whiteboard animations, architectural walkthroughs, product animations, or explainer videos, Kamran is dedicated to meeting all digital needs with exceptional attention to detail. Currently, he works as a game artist, crafting 3D game environments and assets for various game engines
